It's Time to Get an Annual Flu Shot

AmeriHealth Caritas
Care is the heart of our work

Getting a flu shot is a safe and effective way to protect you and your family this flu season. The flu shot can prevent you from getting sick with the flu or having a severe case of the flu, and it can prevent you from going to the doctor or being hospitalized for flu-related illness.

You can get a flu shot from:

Your primary care provider's office.

Pharmacies.

Government public health centers.

Urgent care centers.
